OptiSuite 10x Achieves SAP-Certified Integration with SAP S/4HANA®

Mumbai – August, 10 2021 – Innoval Digital Solutions Pvt Ltd (IVL) announced today that its OptiSuite 10x has achieved SAP certification as integrated with SAP S/4HANA®.

The integration helps organizations manage statutory compliance with respect to taxation, foreign trade, electronic invoice automation, and digitalization of the relevant documentation.

These solutions are part of the company’s digital compliance modular framework, which integrates functionalities of GST, Ewaybill, E-invoicing, EXIM, inbound invoice automation, and digital signature with SAP S/4HANA.

“Optisuite 10x has evolved with new functionalities and technical upgrades, and was built using proven industry practices across various industry verticals,” said Sunil Gupta, Founder & Managing Director, Innoval Digital Solutions Pvt Ltd. “New features include digitalization, dashboards, analytics, e-invoicing automation, and digital signatures.”

The SAP® Integration and Certification Center (SAP ICC) has certified that the integration software for its OptiSuite 10x integrates with SAP S/4HANA using standard integration technologies. SAP S/4HANA is the next-generation business suite, built for the SAP HANA platform, with on-premise and cloud deployment options. It is designed to act as the digital core, helping customers drive digital transformation across their entire organizations, taking advantage of the award-winning, role-based user experience of SAP Fiori®.

“The ability of OptiSuite 10x to interoperate with SAP S/4HANA and integrate core processes with statutory Government portals and processes will prove highly beneficial to our current and future customers,” said Gupta. “The SAP certification provides assurance to our enterprise customers of world class quality to run their mission critical business application for various functions.”
